Your title	Estates Surveyor (Fixed Term Maternity Cover)
Post number	PRN0000221
Your team	Asset Management and Property services
You would be based	Civic Centre Esher
Your line manager	Property Portfolio Manager

Elmbridge
Borough Council

... bridging the communities ...

About the role

The main purpose of the job

- To assist in providing timely estates and valuation advice and services in the management and development of the Council's estate.
- To ensure an efficient and effective corporate estate that makes best use of and extracts optimum value from the assets.
- To assist in ensuring that all internal control systems are effective, efficient and up to date including the asset databases and registers, Asset Management Plan, GIS systems and property management software.

Main contacts

Councillors, officers, tenants, contractors, public and private sector bodies, charitable organisations, statutory authorities, utilities companies and members of the public.

The main purpose of the role:

- To assist with reporting verbally and in writing for the Head of Service, Deputy Chief Executive and Strategic Director, Corporate Boards and Groups and advising Councillors.
- To adhere to the principles and practices established within Council flagship activities and strategies including the Asset Management Plan, Equality and Diversity, Risk Management, Business Continuity and Disaster Recovery and capital projects.
- Ensure that all internal control and software systems are up to date and working effectively and efficiently.
- Ensure that all works, services and supplies are procured in accordance with procurement guidelines, policies and statutory requirements.
- Ensure demonstrable value for money in the procurement and management of all requisite elements pertaining to the Council's estate.
- In consultation with the Head of Service and Estates and Property Portfolio Manager identify opportunities for investment, value for money and service improvements.
- To contribute to the formulation of Council policy, particularly in relation to the Council's estate and valuations services.

- To participate in corporate, professional and stakeholder working groups as required.
- Attend committee and other meetings from time to time as required by the Head of Service and/or Estates and Property Manager.
- Actively promote and market the services of the AMPS team and the Council so that they are perceived in a positive way by all stakeholders and partners.
- To manage and monitor the AMPS team's budget and recommend action where spending or income is not in line.
- Attend evening meetings and such out of hours meetings as may be necessary to fulfil the requirements of the post.
- To assist with performance and benchmark information to demonstrate Value for Money for the services provided as and when required.

Specific duties and responsibilities

- To assist and support the Property Portfolio Manager in providing a wide range of estate management and valuation services in respect of the Council's estate.
- To manage and undertake lease renewals, rent reviews, new lettings, assignments and surrenders and assist with other estate management services as required including rent roll and service charges.
- To assist and support with the Council's commercial and residential valuations in accordance with professional practice and procedure and with corporate guidelines.
- To assist with managing the administrative team as and when necessary.
- To negotiate property disposals including preparing comprehensive Heads of Terms and instructing solicitors.
- To assist with property acquisitions including analysis, valuation and due diligence processes.
- To assist with preparing development appraisals as well as analysing and negotiating those prepared by external third parties.
- To assist with the preparation and submission of documents, papers and evidence to tribunals, Court or other statutory or quasi-statutory bodies on behalf of the Council.
- To deputise for the Property Portfolio Manager in their absence in relation to the responsibilities of the Estates Team and, if necessary the Building Services Team.
- To be proficient in the use of software for asset and estate management purposes, including maintaining an up to date Asset Management Plan, Asset Register and estates databases.
- To be customer focused to meet current and future customer needs, assisting as required with benchmarking exercises and with service, user and stakeholder consultations.
- Establish and maintain effective and positive working relationships with all relevant internal and external clients, colleagues, key partners, tenants and stakeholders.
- Promote effective service alliances with other partners, service providers and stakeholders so as to improve the efficiency and effectiveness of the Team's Services.
- Support the AMPS team out of hours duty role, including evenings, weekends and public holidays.

- To appoint and manage external consultants when appropriate and as directed by the Head of Service and/or Property Portfolio Manager.
 - To assist and support with leading, managing and developing the staff within the Estates Team and the Property Administration team
-

What's missing?
